PRINCIPAL'S DESK

Aruna Devi N
Principal
Contact: +91 8925830689

It is with great pride and a deep sense of responsibility that I extend my greetings to you all through this school diary. As we step into another academic year, I take this opportunity to reaffirm our commitment to excellence in education, character-building, and holistic development.

Education is not merely the acquisition of knowledge; it is a lifelong journey that shapes the intellect, character, and spirit of an individual. At Dr. Mehta's International Smart School , we strive to create an environment that nurtures curiosity, encourages critical thinking, and instils values such as respect, integrity, and compassion. Our goal is to empower students to become not only successful professionals but also responsible and conscientious citizens of the world.

This diary serves as a vital link between the school, the student, and the parent. It is a tool for effective communication, planning, and accountability. I urge all students to use it diligently, maintaining a record of their academic activities, achievements, and responsibilities. Likewise, I encourage parents to engage actively with their child's school life by reviewing this diary regularly and staying informed about school policies, schedules, and expectations.

Let us continue to work together in the true spirit of partnership. With a collaborative approach between educators and parents, I am confident we can provide our students with the knowledge, skills, and values they need to excel in every aspect of life.

Let us all work together—as a team of learners, educators, and caregivers—to support our students in becoming responsible citizens, critical thinkers, and compassionate individuals.

Wishing you all a year full of learning, discovery, and success.
